

REAP INTERNATIONAL

MERRY CHRISTMAS AND HAPPY NEW YEAR

In 2007, Global University partnered with Dave Roever's Ministry REAP International for Discipleship Training. Our goal was to teach the teachers and disciple the disciples so they could teach and disciple others.

The Global REAP Discipleship program started with a handful of students in Vietnam. For Dave Roever and Dan Dang, Vietnam was a logical starting point given their connection with the country, its culture, and its people. Today REAP has more than 150,000 Discipleship students in Vietnam. However, most of the population is still Buddhist and the Communist government continues to have political control.

Many of our students live in remote areas of Vietnam where the gospel is greatly restricted, and resources are in short supply. Internet access is not only limited, but it can be a source of persecution for these students. Because of this, we have printed textbooks for our Hmong students in their own language, so they can safely follow our programs without fear of persecution. Our students in the Central Highlands travel many miles by foot or motorbike to a Bible Center where they can share textbooks, take exams, and worship together. Their dedication and commitment to learning God's word is truly a statement of their faith.

A Report from our
Vice President

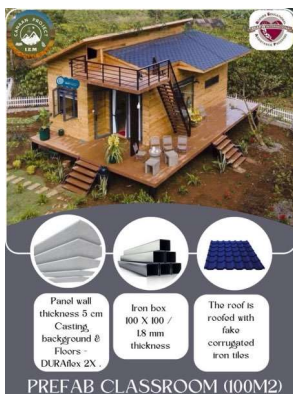

Thien An (Dan) Dang, Ph.D.

Looking ahead to 2024, we are excited to share two Vietnam Projects with you:

1. Church on the Mountain

God has opened a door for REAP with the gift of one acre of land on top of a mountain near Dalat City. REAP has committed to building five classrooms where thousands of pastors, leaders, and students from the Central Highland area can come for discipleship training. This will be a safe location where we will teach them, train them, and send them back to their City, Village, or home church.

Our goal is five buildings @ \$20,000 per building.

2. Hmong Discipleship Textbooks

REAP has an opportunity in 2024 to reach 200,000 new Hmong students in Vietnam. Five major denominations have asked for our help to train their leaders. We help each new student with their first three textbooks.

This is where you can help. We will need 100,000 new discipleship textbooks to meet this need. If you haven't finalized your projects for 2024, we invite you to partner with us for the Hmong Discipleship Textbooks. Your support will help develop new Hmong Christian leaders.

Our goal is 100,000 discipleship textbooks @ \$3 per book.

30 Textbooks = \$90 - 60 Textbooks = \$180 - 90 Textbooks = \$270 - Other \$ _____
